EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

The following statement sets out all material facts relating to business mentioned in the Notice

Item No. 4

As per the provisions of Section 20 of the Companies Act, 2013 a document may be served on any member by sending it to him or by delivering at his office or address or by such electronic or other mode as may be prescribed. It further provides that a member can request for delivery of any document to him through a particular mode for which he/she shall pay such fees as may be determined by the Company in its Annual General Meeting. Therefore, to enable the members to avail this facility, it is necessary for the Company to approve the fees to be charged for delivery of a document in a particular mode, as mentioned in the resolution.

Since the Companies Act, 2013 requires the fees to be approved in the Annual General Meeting, the Board accordingly recommends the Ordinary Resolution at Item No. 4 of the accompanying notice, for the approval of the Members of the Company.

None of the Directors and/or Key Managerial Personnel's of the Company and their relatives are concerned or interested, in the passing of the above resolution.

Item No. 5

Pursuant to the Section 185 (1) of Companies (Amendment) Act, 2017, no Company shall directly or indirectly, advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by (a) any director of company, or of a company which is its holding company or any partner or relative of any such director; or (b) any firm in which any such director or relative is a partner. However it is permissible under section 185(2) of the Act, with any person in whom any of the directors are interested subject to the other conditions as prescribed under the Act and approval of members via Special Resolution. In this regard the Board recommends Special Resolution at Item No. 5 of the accompanying notice, for the approval of the Members of the Company.

The particulars of loans given, or guarantee given or security to be given in future along with the purpose is detailed below:

Particulars	Amount	Reason
Prima Union Plasticoss S.A.	Within the limit permissible under Section 186 of the Companies Act	To support entities engaged in similar line of business

None of the Directors and/or Key Managerial Personnel's of the Company and their relatives are concerned or interested, in the passing of the above Resolution. Mr. Bhaskar M. Parekh & Mr. Dilip M. Parekh are holding only directorship in the Subsidiary Company on behalf of Prima Plastics Limited. They are not holding any shares in the Subsidiary Company. The investment in Subsidiary is in name of the Company, so they are not directly interested in the Resolution.

Item No. 6

The provisions of section 188(1) of the Companies Act, 2013, govern that the Related Party Transactions require a Company to obtain prior approval of the Board of Directors and in certain cases approval of the shareholders is also required.

Section 188(1)(f) of the Companies Act, 2013, provides for the related party's appointment to any office or place of profit. In this regard, the Board of Directors of the Company in its meeting held on 28th May, 2018, consented for Increase in Remuneration of Shri. Partik B. Parekh, Vice President - Marketing & Sales and Shri. Paras B Parekh, Chief Marketing Officer of the Company, who are working with the Company for more than ten years, subject to approval of shareholders. The said increment of related parties was recommended and approved by Nomination & Remuneration Committee and Audit Committee of the Board of Directors of the Company.

The Board recommends the Ordinary resolution at item no. 6 of the accompanying notice, for approval of the Members of the Company.

The details of the increased remuneration are given below:

Name of Related Party	Director who is related	Nature of relationship	Remuneration
Shri Pratik B. Parekh	Shri Bhaskar M. Parekh, Chairman	Father	On scale of ₹ 150,000 to ₹ 300,000 per month plus HRA, PF, other perquisites and allowances as per Company Policy.

REVIEW OF OPERATION (STANDALONE)

Your company revenue from local operations has increased by 13.94% over the previous year. The local revenue was ₹ 8,437.05 lakhs (Net of Excise/GST) as compared to ₹ 7,405.11 lakhs (Net of Excise) in the previous year. This increase was mainly because of higher production by existing units.

The exports of the company were down at ₹ 1,160.94 lakhs for the year as compared to ₹ 1,780.23 lakhs in the previous year. The reduction is mainly due to loss of Latin American territory in favour of overseas subsidiary.

The Company registered operating profit of ₹1,832.54 Lakhs in comparison to ₹ 1,825.75 Lakhs in last year, marginal increase in spite of increase in raw material price.

Net profit for the year was ₹ 753.70 lakhs as compared to ₹ 982.92 lakhs in last year. The main reason was lesser dividend from overseas Joint Venture Company. The Overseas J.V. had adopted conservative policy on dividend due to its cash outflow on expansion activities.

Your Company's performance is discussed in detail in the "Management Discussion & Analysis Report."

REVIEW OF OPERATION (CONSOLIDATED)

Your company achieved total revenue (Net) of ₹ 10,533.90 lakhs as against ₹ 9,419.04 lakhs in previous year. An increase of 11.83% and net profits at ₹ 958.54 lakhs as compared to ₹ 1,050.30 lakhs in previous year.

However, please note that due to implementation of IndAS from current year, the operations of overseas Joint Venture Company were consolidated on equity method, the same was consolidated on line to line basis till previous year.

CONSOLIDATED ACCOUNTS

The consolidated financial statement of your Company for the financial year 2017-18 are prepared in compliance with applicable provisions of the Companies Act, 2013 read with the Rules issued thereunder, applicable Accounting Standards and the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as the "Listing Regulations"). The consolidated financial statement has been prepared on the basis of audited financial statement as of March 31, 2018 of your Company and Subsidiary and Joint Venture as on December 31, 2017 as approved by the respective Board of Directors.

INDIAN ACCOUNTING STANDARDS

The Ministry of Corporate Affairs (MCA) on February 16, 2015, notified that Indian Accounting Standards (Ind AS) are applicable to certain classes of companies from April 1, 2017. Ind AS has replaced the previous Indian GAAP prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014. Ind AS is applicable to the Company from April 1, 2017.

MANAGEMENT'S DISCUSSION & ANALYSIS REPORT

OVERVIEW

FY 2017-18 was significant for Indian Economy due to rollout of the Goods & Service Tax (GST) with effect from 1st July, 2017. The business in the 2nd and 3rd Quarter was effected due to lack of clarity, various tax perceptions, system issues and monthly compliance responsibility. Apart from initial disruption and temporary glitches, it is a positive steps and we have moved to One Nation One Tax concept. The government initiative for ease of doing business have a positive impact on Industry and its slowly moving toward transparency in government approvals.

The Indian economy continued to grow strongly as the economy recovers its last quarter post stabilization of GST regime. The government initiative to implement Real Estate Regulation and Development Act, 2016 (RERA) and Insolvency and Bankruptcy Code, 2016 (IBC) shall be a positive step for the economy.

The Government data on GDP growth rate are positively supported by consumption growth and Government spending. Plastics Demand growth continue to be healthy due to infrastructure boost, higher disposable income, implementation of the 7th pay commission and other policy measures.

Against the backdrop of the mixed conditions, your company witness consistent growth in existing business and initiative to expand the product line with positive growth in business in coming years.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Company maintains its view that there is ample growth opportunity for plastic business due to continued focus of the government on Swachh Bharat Abhiyan, infrastructure development and ease of doing business in the country.

The Company is investing in machineries to increase its production capacities and mould to add newer products range and enter into pallets and waste management products. The Company recognise the opportunity and take appropriate steps. The Company is also expanding its territory and focusing on Pan India and International presence. The Management is confident that the efforts taken by the Company will fetch good results.

FINANCIAL REVIEW:

Revenue from Operation:

The Company deals in only one segment i.e. Plastic Moulded Articles segment and serving its customers from their manufacturing units in Daman, Cochin and Ongole. The Company focus is on expanding its customer base in new territories and to add newer product lines to tap additional business.

Prices of Raw material were on increasing trend in line with crude oil prices. The Profit margin were also under pressure due to capital expansion undertaken and its expenditure till these units reach at optimum production level.

Exports revenue was down in line with its Management expectation, mainly due to setting up subsidiary company in Latin America region. However, the efforts are on to explore new territories for exports.

Operating Profit:

The Company registered operating profit of ₹ 1,832.54 Lakhs in comparison to ₹ 1,825.75 Lakhs in last year, marginal increased inspite of increase in raw material price.

Interest:

The interest cost has substantially increased to ₹ 145.77 Lakhs in comparison to ₹ 60.82 Lakhs in previous year. In consideration of the expansions completed by the Company, the control on fund management and consequential interest cost is appreciable.

Profit:

Your Company has registered a lower Profit before Tax of ₹ 1,046.12 Lakhs as against ₹ 1,372.72 Lakhs in the previous year and net profit after tax of ₹ 753.70 Lakhs against ₹ 982.92 Lakhs in previous year.

Dividend:

The Board of Directors have maintained a final dividend of ₹ 2/- per Equity shares (20%) inspite of pressure on profit margin.

BUSINESS OUTLOOK

With the reduction in GST rate from 28% to 18%, the Plastics Industry is relived from higher taxes to level playing platform. The Government has also relax certain provisions and relief from some complex provisions. This will help in ease of doing business.

Your Company has set up Roto and Blow moulding, machines to produce some new products relating to Swachh Bharat Abhiyan, Infrastructure developments and Industrial uses and shown its presence in this growing segment of Plastics Industry. The Management foresees a reasonable growth in these new business avenues inspite of Competition from established business houses. The Company also added new range of plastic furnitures with modern design in line with consumer preferences and useful utilities.

With the increase in income of middle and lower middle class, upliftment of Rural economy and good monsoon the average spending has gone up and benefited industries based on Rural economy and your Company is also benefited. The management expects a growth of 10% to 15% in the coming years and stability to its newly set up units from financial year 2018-19 onwards.

OPPORTUNITIES

Looking at continuous focus of Indian Government on various scheme such as focus on infrastructure development, Swachh Bharat Abhiyan and creation of jobs, plastic industry is bound to get benefit. Further the outlook for the monsoon appears encouraging which should provide the much needed support to the rural economy. This is also expected to lead to improved consumer demand.

Consumption of plastic is increasing and your Company is determined to emerge as a major player with quality product. Your Company is also focusing on growing in international market specially in under-developed countries to export its products.

THREAT

Any major upward movement in the Crude Prices could change the inflationary scenario impacting on input prices and the margin of the Company. Further the frequent changes in regulatory laws specially the steep penal provisions, may create additional compliance burden on the Company. Further Weak Global outlook can make it difficult for the country to continue on a growth plan, specially after the stiff stand by American Government on Import from China and India.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has adequate internal financial control procedures commensurate with its size and nature of business. The Company has appointed Internal Auditors comprising professional Chartered Accountants who periodically audit the adequacy and effectiveness of the internal controls laid down by the management and suggest improvements. Based on the audit observation and recommendations, follow ups and remedial measures are being taken including review and increase in scope, if necessary. The Audit Committee of the Board of Directors periodically reviews the audit plans, internal audit reports and adequacy of internal controls.

As a matter of proactive planning, the Board has also constituted an Audit Committee which meets periodically to review the financial performance and the accuracy of financial records. The management duly considers and takes appropriate action on the recommendations made by the Internal Auditors, Statutory Auditors and the Audit Committee of the Board of Directors.

RISK MANAGEMENT

Your Company is exposed to business risk which may be internal or external risk, requiring quick adaptability to tackle different business risks. To ensure our long term corporate success, it is essential to identify, analyse and mitigate risk by appropriate control measures. The Company has laid down procedures and informed the Board & Audit Committee about risk assessment and minimization procedures.

The identified risks are reviewed and evaluated on continues basis and suitable steps are timely taken to mitigate the same. The implementation of various strategies to control the said risk is monitored regularly. The Board reviews the Risk Management process periodically.

The Company has exposure to foreign currency loans and it also makes payment in foreign currency for import of machinery and raw materials. It has also investment exposure in overseas Subsidiary and Joint Venture. The change in the exchange rate between the US Dollar and the Indian Rupee may have negative impact on the Company's result and financial condition. The Company many times don't hedge the currency exposure and takes advantage of its natural hedge by exports of moulded articles and return on investment from Subsidiary / Joint Venture Company (JV) to full extent. The Company does not deal in derivative transaction(s) as a matter of policy.

The Company is exposed to the risk of price fluctuation on raw materials as well as finished goods. The Company apart from passing the cost to end user also manages these risks in inventory management etc.

The Company developed new products to meet the growing demand and customer needs. Although the competition in the market may be increasing, your Company is able to control the same by strategic planning and improved manufacturing process. Apart from the risks on account of foreign exchange and commodity price, the business of the Company is exposed to certain operating business risk, which are managed by regular monitoring and collective actions.

HUMAN RESOURCES

Intellectual capital is one of the key resources for the Company to ensure business sustainability and growth. The Company recognizes the importance and contribution of its human resources for its growth & development and values their talent, integrity and dedication. The Company offers a highly entrepreneurial culture with a team based approach that we believe encourages growth and motivates its employees. The Company has been successful in attracting and retaining key professionals and intends to continue to seek fresh talent to further enhance and grow its business. The management believes that the key factor behind all achievements is the trust the Management placed in its employees.

CAUTIONARY STATEMENT

Certain statements in the reports of the Board of Directors and Management's Discussions and Analysis may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied since Company's operations are influence by many external and internal factors beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any of these statements on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Prima Plastics Limited**

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of Prima Plastics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and the estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening Balance Sheet as at April 01, 2016 included in these Standalone Ind AS financial statements, are based on the previously issued statutory standalone financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by G.P. Kapadia & Co., Chartered Accountants (predecessor auditor) for the year ended March 31, 2017 and for the year ended March 31, 2016, whose reports dated May 29, 2017 and May 30, 2016 respectively, expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on the financial position in its Standalone Ind AS financial statements – Refer Note 33 (a) to the Standalone Ind AS financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on derivative contracts. The Company has long-term contracts for which there were no material foreseeable losses - Refer Note 54 to the Standalone Ind AS financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
 - iv. The disclosure requirement in the Standalone Ind AS financial statements as envisaged in Notification G.S.R 308(E) dated March 30, 2017 as to holdings as well as dealings in Specified Bank Notes during the period from November 08, 2016 to December 30, 2016 is relating to F.Y 2016-17 and hence no disclosure on the same has been given - Refer Note 49 the Standalone Ind AS financial statements.

(Referred to in our report of even date)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified by the Management during the year. In our opinion, and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
(c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The inventory has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. No material discrepancies noticed on verification between the physical stocks and the book records.
- iii. In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3(iii) of the Order is not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to the loans given, investments made, guarantees given and security provided.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public during the year in terms of the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT – MARCH 31, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Prima Plastics Limited ("the Company") as at March 31, 2018 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an

understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanation given to us, the Company has framed process document and risk control matrix for certain key processes relating to internal financial controls system over financial reporting. In our opinion, considering the internal control over financial reporting criteria established by the Company and the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI and to justify existence and operative effectiveness of the said controls, the Company need to strengthen the documentation of identified risk & controls to make it commensurate with the size of the Company and nature of its business.

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, the relevant provisions of the Companies Act, 2013 (the Act) and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

The Financial Statements for the year ended March 31, 2018 are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Accordingly, the Company has prepared an Opening Ind AS Balance Sheet as on April 1, 2016 and comparative figures for the year ended March 31, 2017 are also in compliance with Ind AS. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 51.

The financial statements are authorised for issue by the Board of Directors of the Company at their meeting held on May 28, 2018.

b) Basis of Preparation of Accounts:

Basis of Preparation:

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- i. Financial Instruments measured at Fair Value.
- ii. Certain financial assets and liabilities measured at fair value through profit or loss; and
- iii. Employee's Defined Benefit Plan as per Actuarial Valuation.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique.

Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Classification of Assets and Liabilities into Current/Non-Current:

The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- i. It is expected to be realised, or is intended to be sold or consumed, in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is expected to realise the asset within twelve months after the reporting period; or
- iv. The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- i. It is expected to be settled in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is due to be settled within twelve months after the reporting period; or

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

- iv. The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

c) Property, Plant and Equipment (PPE):

The initial cost of PPE comprises of its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to PPE are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and cost of the item can be measured reliably. Repairs and maintenance cost are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

d) Capital Work in Progress:

Expenditure/ Income during construction period (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) is included under Capital Work-in-Progress, and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current Assets".

e) Depreciation:

Depreciation on PPE is the systematic allocation of the depreciable amount over its useful life and is provided on a straight-line basis over such useful lives as prescribed in Schedule II to the Act or as per technical assessment.

Depreciable amount of PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company.

In case of certain classes of PPE, the Company uses different useful lives than those prescribed in Schedule II to the Act. The useful lives have been assessed based on technical advice, taking into account the nature of the PPE and the estimated usage of the asset on the basis of management's best estimation of obtaining economic benefits from those classes of assets.

Such classes of assets and their useful lives are as under:

No	Nature	Useful Life
1	Plant and Machinery	15 - 20 Years
2	Moulds	8 -15 Years

- f) Depreciation on additions is provided on a pro-rata basis from the date of acquisition. Depreciation on deductions/disposals is provided on a pro-rata basis till the date of such sale or disposal.

g) Intangible Assets and Amortization

Intangible assets with finite useful life that are acquired separately are stated at acquisition cost less accumulated amortization and impairment losses, if any. The Company determines the useful life as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortization method is reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

Class of intangible assets and their estimated useful lives are as under:

No	Nature	Useful Life
1	Software	5 Years

h) Impairment of Non-Financial Assets:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

i) Inventories:

Inventories are valued as follows:

- **Raw materials:**

Value at lower of cost and net realisable value(NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on First in First out (FIFO) basis.

- **Work-in-progress (WIP), finished goods, stock in trade and trial run inventories:**

Valued at lower of cost or NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.

- Stores & spare parts and packing materials are valued at cost

- **Waste / Scrap**

Waste/Scrap inventory is valued at NRV.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

j) Borrowing Costs:

General and Specific Borrowing Cost Attributable to acquisition of Qualifying Assets, are capitalised as a part of the cost of such asset up to the date when such assets are ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing cost are recognised as an expense in the period in which they are incurred.

k) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessment of time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised.

l) Revenue Recognition:

Revenue is recognised to the extent that is probable that the economic benefits will flow to the Company and the amount can be reliably measured.

- Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, volume rebates, outgoing sales taxes and are recognised when all significant risks and rewards of ownership of the goods sold are transferred.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

- Dividend income is accounted for when the right to receive the income is established.
- Interest income is recognised using effective interest rate method.

m) Lease:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

- **Operating Lease:**

Lease rentals are charged or recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

- **Finance Lease:**

Assets held under finance leases are recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's policy on borrowing costs.

n) Employee Benefit Expense:

- **Defined benefit plan:**

The Company has defined benefit Plans for post employment benefits, for all employees in the Form of Gratuity administered through trust funded with Life Insurance Corporation of India. The Company's liabilities under Payment of Gratuity Act are determined on the basis of independent actuarial valuation.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income. Re-measurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss.

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

- **Defined contribution plan:**

Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions.

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, for which both the employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Government Provident Fund monthly.

- **Short-term employee benefits:**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave in the period the related service is rendered. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

o) Income Taxes:

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

- **Current Tax:**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

- **Deferred Tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting date.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period date and are reduced to the extent that it is no longer probable.

p) Foreign Currency Transactions:

Foreign currency transactions are recorded at exchange rate prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the Balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined.

Non-Monetary items that are measured in terms of historical cost in a foreign currency are translated using exchange rate as at the date of initial transactions.

q) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/loss after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive equity shares

r) Investment in Subsidiary & Joint Venture:

The Company's investment in its Subsidiary and Joint Venture are carried at cost.

s) Financial Instruments:

Financial Assets & Financial Liabilities are recognised when the Company becomes party to contractual provisions of the relevant instrument.

Initial Recognition and Measurement:

All financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Transaction costs directly attributable to acquisition or issue of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

- **Financial assets carried at Amortised Cost:**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through Other Comprehensive Income (FVTOCI):**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through profit or loss (FVTPL):**

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

- **Classification and Subsequent Measurement: Financial Liabilities**

Financial liability are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

- **Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition at FVTPL. Gain or losses on liabilities held for trading are recognised in the Statement of profit or loss.

- **Other Financial Liabilities:**

Other Financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is the method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

- **Impairment of financial assets:**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). Expected credit losses are measured through a loss allowance at an amount equal to:

In case of trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

For other assets, the Company uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

- **Derecognition of Financial Instruments:**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

t) **Cash and cash equivalents**

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

u) Financial Liabilities & equity instruments:

- **Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of financial liability and an equity instrument.

- **Equity Instrument**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

v) Segment Reporting - Identification of Segments:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's management to make decisions for which discrete financial information is available.

Based on the management approach as defined in Ind AS 108, the management evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

Note 32 (B): Critical accounting judgements and key sources of estimation uncertainty:

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

a) Useful Lives of Property, Plant & Equipment:

The Company uses its technical expertise along with historical and industrial trends for determining the economic life of an asset. The useful life is reviewed by the management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the asset.

b) Defined Benefit Plans and Compensated Absences:

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates.

Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

c) Fair Value Measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

d) Expected Credit Losses on Financial Assets:

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

Note 35: Employee Benefits (Ind AS 19)

a. Defined Benefit Plan:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk on above:

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

* The Sensitivity Analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Basis used to determine Expected Rate of Return on Plan Assets:

Expected rate of return on Plan Assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Salary Escalation Rate:

The estimates of future salary are considered taking into account inflation, seniority, promotion and other relevant factors.

Asset Liability matching strategy

The money contributed by the Company to the Gratuity fund to finance the liabilities of the plan has to be Invested.

The trustees of the plan have outsourced the investment management of the fund to an Insurance Company. The Insurance Company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

There is no compulsion on the part of the Company to fully prefund the liability of the Plan. The Company's philosophy is to fund these benefits based on its own liquidity and the level of under funding of the plan.

The Company's expected contribution during next year is ₹ 38,98,407 {March 31, 2017: ₹ 2,928,973}.

b. Defined Contribution Plans:

Amount recognized as an expense and included in Note 29 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is Rs. 3,680,690 (Previous Year Rs. 3,161,517).

Note 42: Fair Value measurement (Ind AS 113):

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities. The company does not have any such asset or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on company specific estimates. The investment in mutual funds are valued using the closing Net Asset Value based on the mutual fund statements received by the company. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Note 50:

In March 2018, the Ministry of Corporate Affairs issues the Companies (Indian Accounting Standards) Amendment Rules, 2018, notifying Ind AS 115 'Revenue from Contract with Customers' which replaces IndAS 11 'Construction Contracts' and IndAS 18 'Revenue'. Expect for disclosure requirement, the new standard will not materially impact the Company's financial statements. The amendment will come into force from April 01, 2018.

Note 51: First Time Adoption of Ind AS (Ind AS 101):

As stated in Note 1, these financial statements, for the year ended March 31, 2018, are the first the Company has prepared in accordance with IndAS. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (IGAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its IGAAP financial statements, including the balance sheet as at April 01, 2016 and the financial statements as at and for the year ended March 31, 2017 and how the transition from IGAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

Exemption Availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

a. Deemed cost for PPE and Intangible Assets:

The Company has elected to continue with the carrying value of all of its plant and equipment and intangible assets as recognised as of April 01, 2016 (transition date) measured as per the IGAAP and use that carrying value as its deemed cost as of the transition date.

b. Investment in Subsidiary and Joint Venture:

The Company has elected to carry its investment in subsidiary and joint venture at deemed cost which is its IGAAP carrying amount at the date of transition to Ind AS.

c. Fair Value of Financials Assets and Liabilities:

As per Ind AS exemption the Company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

Notes to the Reconciliation of equity as at April 1, 2016 and March 31, 2017 and Total Comprehensive Income for the year ended March 31, 2017:

A. Fair valuation of Security Deposits

Interest free deposits have been fair valued and are discounted using an appropriate current market rate. The difference between the nominal value and the fair value of the deposit under the lease is considered as Prepaid Rent, Which is unwinded on a straight line basis over the period of the lease. The company also recognizes interest expenses using the discounting rate, over the life of the deposit. These adjustments are reflected in retained earnings as at the date of transition and subsequently in the statement of profit and loss.

B. Allowances for Credit losses

For Provision of Credit losses on Trade Receivables, the company has adopted Simplified Approach where by provision of expected credit losses is made using a provision matrix to mitigate the risk of default payments.

C. Deferred Tax

IGAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under IGAAP. In addition, the various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred Tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or profit and loss respectively.

D. Revenue from Operations

Under IGAAP, cash discounts and other discounts directly attributable to sales was recognised as part of other expenses which has been adjusted against the revenue under Ind AS during the year ended March 31, 2017.

Under IGAAP, revenue was presented net of excise duty. However, as per Schedule III to the Companies Act, 2013, revenue from operations is to be shown inclusive of excise duty. Accordingly, excise duty has been included in revenue from operations and shown separately as an expense

E. Defined Benefit Liabilities

Both under IGAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under IGAAP, the entire cost, including actuarial gains and losses, are charged to Statement of Profit and Loss. Under Ind AS, remeasurements (comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Prima Plastics Limited**

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of Prima Plastics Limited ('hereinafter referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") and its joint venture which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ("hereinafter referred to as the Act") that give a true and fair view of the Consolidated financial position, Consolidated financial performance (including other comprehensive income), Consolidated statement of changes in equity and Consolidated cash flows of the Group including its joint venture in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group and its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and joint ventures and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements, as applicable, and on the other financial information of the subsidiary and joint venture, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the Consolidated financial position of the Group and its joint venture March 31, 2018, and their Consolidated financial performance (including other comprehensive income), their Consolidated statement of changes in equity and Consolidated cash flows for the year ended on that date.

Other Matters

- a. The comparative financial information of the Group for the year ended March 31, 2017 and the transition date opening Balance Sheet at April 01, 2016 included in these Consolidated Ind AS financial statements, are based on the previously published consolidated financial statements of the Group for the said periods prepared in accordance with the then applicable Accounting Standards and other accounting principles generally accepted in India audited by G. P. Kapadia & Co., Chartered Accountants (erstwhile Statutory Auditors), whose report dated May 29, 2017 expressed an unmodified opinion on those consolidated financial results, as adjusted for the differences in the accounting principles adopted by the Group on transition to Ind AS, which have been audited by us with respect to the Holding Company and are based on management by other auditors with respect to the subsidiary and joint venture. Our opinion is not modified in respect of this matter.
- b. The financial statements of Prima Union Plasticos S.A, a subsidiary and Prima Dee-Lite Plastics s.a.r.l, a Joint Venture for the year ended December 31, 2017, as adjusted, have been considered for the purpose of preparing these consolidated financial results. We did not audit the financial statements of Prima Union Plasticos S.A, a subsidiary whose financial statements reflect total assets of ₹ 1,772.14 Lac as at December 31, 2017 and total revenues of ₹ 861.24 Lac for the year ended on that date, as considered in the consolidated Ind AS financial results. The consolidated Ind AS financial results also include the Group's share of net profit of ₹ 676.03 Lac for the year ended December 31, 2017 as considered in the consolidated Ind AS financial results, in respect of Prima Dee-Lite Plastics s.a.r.l, a joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors as per the requirement of the applicable accounting standards of the respective countries and have been converted as per requirement of Ind AS by the management. Our opinion on the consolidated Ind AS financial results, in so far as it relates to the aforesaid subsidiary and joint venture is based solely on the reports of the other auditors and conversion to Ind AS by the management. Our opinion is not modified in respect of this matter.
- c. Our opinion above on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate Ind AS financial statements, and the other financial information of subsidiary and joint venture as noted in the 'Other Matters' paragraph, we report to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS financial statements.
 - (d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary and joint venture incorporated in India, none of the Directors of the Group companies and its joint venture incorporated in India are disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its subsidiary and joint venture incorporated in India and the operating effectiveness of such controls, refer to our separate report in the "Annexure A".
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate Ind AS financial statements, as also the other financial information of the subsidiary and joint venture as noted in the 'Other Matters' paragraph:

-
- i. The Consolidated Ind AS financial statements disclose the impact of pending litigations on the Consolidated financial position of the Group – Refer Note 34(a) to the Consolidated Ind AS financial statements.
 - ii. The Group and joint venture have made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on derivative contracts. – Refer Note 55 to the Consolidated Ind AS financial statements. The Group and joint venture did not have any other long-term contracts for which there were any material foreseeable losses during the year ended March 31, 2018.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary and joint venture incorporated in India during the year ended March 31, 2018; and
 - iv. The disclosure requirement in the Consolidated Ind AS financial statements as envisaged in Notification G.S.R 308(E) dated March 30, 2017 as to holdings as well as dealings in Specified Bank Notes during the period from November 08, 2016 to December 30, 2016 is relating to F.Y 2016-17 and hence no disclosure on the same has been given - Refer Note 50 the Standalone Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF PRIMA PLASTICS LIMITED–MARCH 31, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the Consolidated Ind AS financial statements of the Holding Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of Prima Plastics Limited (“hereinafter referred to as “the Holding Company”) and its subsidiary company and a joint venture, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company and joint venture which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanation given to us, the Holding Company has framed process document and risk control matrix for certain key processes relating to internal financial controls system over financial reporting. In our opinion, considering the internal control over financial reporting criteria established by the Holding Company and the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI and to justify existence and operative effectiveness of the said controls, the Holding Company need to strengthen the documentation of identified risk & controls to make it commensurate with the size of the Holding Company and nature of its business.

Other Matter

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to Holding Company which is incorporated in India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Note 32 (A): Company Overview and Significant Accounting Policies

Company Overview:

The Prima Plastics Limited ("the Company") is a Public Limited Company, incorporated in India and has registered office at 98/4 Prima House, Daman Industrial Estate, Nani Daman, Daman – 396210. It is incorporated under the Companies Act, 2013 and its shares are listed on the Bombay Stock Exchange Limited. The Company is one of the leading plastic moulded article manufacturing company in India having 4 manufacturing facilities spread across the country.

Significant Accounting Policies:

a) Statement of Compliance:

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, the relevant provisions of the Companies Act, 2013 (the Act) and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

The Financial Statements for the year ended March 31, 2018 are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Accordingly, the Company has prepared an Opening Ind AS Balance Sheet as on April 1, 2016 and comparative figures for the year ended March 31, 2017 are also in compliance with Ind AS. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 53.

The financial statements are authorised for issue by the Board of Directors of the Company at their meeting held on May 28, 2018.

b) Basis of preparation of Accounts:

The Consolidated Financial Statements comprise the financial statements of Prima Plastics Limited ('the holding company') and its Subsidiary and Joint venture (together referred as 'group').

Basis of Preparation:

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- i. Financial Instruments measured at Fair Value.
- ii. Certain financial assets and liabilities measured at fair value through profit or loss; and
- iii. Employee's Defined Benefit Plan as per Actuarial Valuation.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique.

Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Classification of Assets and Liabilities into Current/Non-Current:

The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- i. It is expected to be realised, or is intended to be sold or consumed, in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is expected to realise the asset within twelve months after the reporting period; or
- iv. The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- i. It is expected to be settled in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

- iii. It is due to be settled within twelve months after the reporting period; or
- iv. The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

c) Property, Plant and Equipment (PPE):

The initial cost of PPE comprises of its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to PPE are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and cost of the item can be measured reliably. Repairs and maintenance cost are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

d) Capital Work in Progress:

Expenditure/ Income during construction period (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) is included under Capital Work-in-Progress, and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current Assets".

e) Depreciation:

Depreciation on PPE is the systematic allocation of the depreciable amount over its useful life and is provided on a straight-line basis over such useful lives as prescribed in Schedule II to the Act or as per technical assessment.

Depreciable amount of PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company.

In case of certain classes of PPE, the Company uses different useful lives than those prescribed in Schedule II to the Act. The useful lives have been assessed based on technical advice, taking into account the nature of the PPE and the estimated usage of the asset on the basis of management's best estimation of obtaining economic benefits from those classes of assets.

Such classes of assets and their useful lives are as under:

No	Nature	Useful Life
1	Plant and Machinery	15 - 20 Years
2	Moulds	8 -15 Years

In case of subsidiary, Depreciation is calculated by straight line method based on their useful lives.

No	Nature	Useful Life
1	Plant and Machinery	5 years
2	Furniture and Equipments	5 years
3	Computer Equipments	3 years
4	Tools	4 years
5	Lease hold Improvements	3 years

- f) Depreciation on additions is provided on a pro-rata basis from the date of acquisition. Depreciation on deductions/disposals is provided on a pro-rata basis till the date of such sale or disposal.

g) Intangible Assets and Amortization:

Intangible assets with finite useful life that are acquired separately are stated at acquisition cost less accumulated amortization and impairment losses, if any. The Company determines the useful life as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortization method is reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Class of intangible assets and their estimated useful lives are as under:

No	Nature	Useful Life
1	Plant and Machinery	5 Years

h) Impairment of Non-Financial Assets:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

i) Inventories:

Inventories are valued as follows:

- Raw materials:
Value at lower of cost and net realisable value(NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on First in First out (FIFO) basis.
- Work-in-progress (WIP), finished goods, stock in trade and trial run inventories:
Valued at lower of cost or NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.
- Stores & spare parts and packing materials are valued at cost
- Waste / Scrap

Waste/Scrap inventory is valued at NRV.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

j) Borrowing Costs:

General and Specific Borrowing Cost Attributable to acquisition of Qualifying Assets, are capitalised as a part of the cost of such asset up to the date when such assets are ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing cost are recognised as an expense in the period in which they are incurred.

k) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessment of time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

l) Revenue Recognition:

Revenue is recognised to the extent that is probable that the economic benefits will flow to the Company and the amount can be reliably measured.

- Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, volume rebates, outgoing sales taxes and are recognised when all significant risks and rewards of ownership of the goods sold are transferred.
- Dividend income is accounted for when the right to receive the income is established.
- Interest income is recognised using effective interest rate method.

m) Lease:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

• Operating Lease:

Lease rentals are charged or recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

• Finance Lease:

Assets held under finance leases are recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's policy on borrowing costs.

n) Foreign Operations:

The assets and liabilities of foreign operations including goodwill and fair value adjustments arising on acquisition, are translated into INR, the functional currency of the Company, at the exchange rates at the reporting date. The income and expenses of foreign operations are translated into INR at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction. Exchange differences are recognized in OCI and accumulated equity (as exchange differences on translating the financial statements of a foreign operation), except to the extent that the exchange differences are allocated to NCI.

When a foreign operation is disposed of in its entirety or partially such that control, significant influence or joint control is lost, the cumulative amount of exchange differences related to that foreign operation recognized in OCI is reclassified to Statement of Profit and Loss as part of the gain or loss on disposal. If the Group disposes of part of its interest in a subsidiary but retains control, then the relevant proportion of the cumulative amount is re-allocated to NCI. When the Group disposes of only a part of its interest in an associate or a joint venture while retaining significant influence or joint control, the relevant proportion of the cumulative amount is reclassified to Statement of Profit and Loss.

o) Employee Benefit Expense:

• Defined benefit plan:

The Company has defined benefit Plans for post employment benefits, for all employees in the Form of Gratuity administered through trust funded with Life Insurance Corporation of India. The Company's liabilities under Payment of Gratuity Act are determined on the basis of independent actuarial valuation.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income. Re-measurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss.

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

- **Defined contribution plan:**

Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions.

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, for which both the employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Government Provident Fund monthly.

- **Short-term employee benefits:**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave in the period the related service is rendered. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

p) Income Taxes:

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

- **Current Tax:**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

- **Deferred Tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting date.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period date and are reduced to the extent that it is no longer probable.

q) Foreign Currency Transactions:

Foreign currency transactions are recorded at exchange rate prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the Balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined.

Non-Monetary items that are measured in terms of historical cost in a foreign currency are translated using exchange rate as at the date of initial transactions.

r) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/loss after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive equity shares

s) Financial Instruments:

Financial Assets & Financial Liabilities are recognised when the Company becomes party to contractual provisions of the relevant instrument.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Initial Recognition and Measurement:

All financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Transaction costs directly attributable to acquisition or issue of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

- **Financial assets carried at Amortised Cost:**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through Other Comprehensive Income (FVTOCI):**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through profit or loss (FVTPL):**

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

- **Classification and Subsequent Measurement: Financial Liabilities**

Financial liability are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

- **Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition at FVTPL. Gain or losses on liabilities held for trading are recognised in the Statement of profit or loss.

- **Other Financial Liabilities:**

Other Financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is the method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

- **Impairment of financial assets:**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). Expected credit losses are measured through a loss allowance at an amount equal to:

In case of trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical creditloss experience.

For other assets, the Company uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

- **Derecognition of Financial Instruments:**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

t) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

u) Financial Liabilities & equity instruments:

• Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of financial liability and an equity instrument.

• Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

v) Segment Reporting - Identification of Segments:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's management to make decisions for which discrete financial information is available.

Based on the management approach as defined in Ind AS 108, the management evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

Note 32 (B): Critical accounting judgements and key sources of estimation uncertainty:

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

a) Useful Lives of Property, Plant & Equipment:

The Company uses its technical expertise along with historical and industrial trends for determining the economic life of an asset. The useful life is reviewed by the management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the asset.

b) Defined Benefit Plans and Compensated Absences:

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates.

Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

c) Fair Value Measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

d) Expected Credit Losses on Financial Assets:

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Note 33 : Principles of Consolidation:

These Consolidated Financial Statements (CFS) are prepared on the following basis in accordance with Ind AS on “Consolidated Financial Statements” (Ind AS – 110), “Investments in Associates and Joint Ventures” (Ind AS – 28) and “Disclosure of interest in other entities” (Ind AS – 112), specified under Section 133 of the Companies Act, 2013.

(i) Subsidiaries:

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

(ii) Non-controlling interest (NCI):

NCI are measured at their proportionate share of the acquiree’s net identifiable assets at the date of acquisition. Changes in the Group’s equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iii) Loss of control:

When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognized in profit or loss.

(iv) Equity accounted investees:

The Group’s interests in equity accounted investees comprise interest in joint venture.

A joint venture is an arrangement in which the Group has joint control and has rights to the net assets of the arrangement, rather than rights to its assets and obligations for its liabilities.

Interest in joint venture is accounted for using equity method. They are initially recognized at cost which includes transaction costs. Subsequent to initial recognition, consolidated financial statements include the Group’s share of profit or loss and OCI of equity accounted investees until the date on which significant influence or joint control ceases.

(v) Transactions eliminated on consolidation:

The reporting date of the Company is different from the reporting date its Subsidiary Company and Joint Venture. However significant transactions are drawn upto the same reporting date i.e March 31, 2018 for the purpose of elimination. The difference between reporting date of the Company and its Subsidiary Company and Joint Venture is 3 months.

The financial statements of the Company and its subsidiary company are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses. Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

(vi) The Company has obtained audited Financial Statement of Prima Union Plasticos S.A. subsidiary for the year December 2016, which was consolidated based on Management certified accounts during previous year. Accordingly, previous year consolidated Financial Statement is restated to give impact of losses of Rs. 28.53 Lakh of said subsidiary for year ended December 31, 2016 as per audited Financial Statement.

The Consolidated Financial Statements are comprised of the financial statements of the members of the Group as under:

Name of Related Parties	Principal Place of Business	% Shareholding and Voting Power		
		As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Prima Union Plasticos S.A. - Subsidiary	Guatemala	90%	90%	Nil
Prima Deelite Plastics S.A.R.L. - Joint Venture	Cameroon	50%	50%	50%

Notes on Accounts of the financial statements of the Company, its Subsidiary and its interest in Joint Venture are set out in their respective financial statements.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Note 34 : Contingent Liabilities (Ind AS 37)

a. Claims against the Company not acknowledged as debts - Nil

The Company does not have any pending litigations and proceedings as at March 31, 2018.

b. Guarantees :

- Guarantee of ₹ 12,504,296 {March 31, 2017: Nil, April 1, 2016: Nil} in favour of Tricon Energy on behalf of its subsidiary , Prima union Plasticos S.A. for the purpose of procurement of raw material and other corporate purpose.
- Guarantee of ₹ 3,842,959 {March 31, 2017: Nil, April 1, 2016: Nil} in favour of Muehlstein International on behalf of its subsidiary, Prima union Plasticos S.A. for the purpose of procurement of raw material and other corporate purpose.

Note 35: Capital and other commitments

Estimated amount of Contracts remaining to be executed on capital account, not provided for (net of advances) ₹ 2,173,421 (March 31, 2017 - ₹ 5,479,825, April 1, 2016 - ₹ 6,979,438).

Note 36: Employee Benefits (Ind AS 19)

a. Defined Benefit Plan:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk on above:

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

*The Sensitivity Analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Basis used to determine Expected Rate of Return on Plan Assets:

Expected rate of return on Plan Assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Salary Escalation Rate:

The estimates of future salary are considered taking into account inflation, seniority, promotion and other relevant factors.

Asset Liability matching strategy

The money contributed by the Company to the Gratuity fund to finance the liabilities of the plan has to be invested.

The trustees of the plan have outsourced the investment management of the fund to an Insurance Company. The Insurance Company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

There is no compulsion on the part of the Company to fully prefund the liability of the Plan. The Company's philosophy is to fund these benefits based on its own liquidity and the level of under funding of the plan.

The Company's expected contribution during next year is ₹ 38,98,407 {March 31, 2017: ₹ 2,928,973}.

b. Defined Contribution Plans:

Amount recognized as an expense and included in Note 29 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is ₹ 3,680,690 (March 31, 2017 ₹ 3,161,517).

Note 37: Segment Reporting (Ind AS 108):

The Company is exclusively engaged in the business of plastic and plastic related products primarily in India. As per Ind AS 108 "Operating Segments", specified under Section 133 of the Companies Act 2013, there are no reportable operating or geographical segments applicable to the Company.

A. Basis for segmentation

Note 43: Fair Value measurement (Ind AS 113):

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities. The company does not have any such asset or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on company specific estimates. The investment in mutual funds are valued using the closing Net Asset Value based on the mutual fund statements received by the company. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Notes to the Reconciliation of equity as at April 1, 2016 and March 31, 2017 and Total Comprehensive Income for the year ended March 31, 2017:

A. Fair valuation of Security Deposits

Interest free deposits have been fair valued and are discounted using an appropriate current market rate. The difference between the nominal value and the fair value of the deposit under the lease is considered as Prepaid Rent, Which is unwinded on a straight line basis over the period of the lease. The company also recognizes interest expenses using the discounting rate, over the life of the deposit. These adjustments are reflected in retained earnings as at the date of transition and subsequently in the statement of profit and loss.

B. Allowances for Credit losses

For Provision of Credit losses on Trade Receivables, the company has adopted Simplified Approach where by provision of expected credit losses is made using a provision matrix to mitigate the risk of default payments.

C. Deferred Tax

IGAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under IGAAP. In addition, the various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred Tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or profit and loss respectively.

D. Revenue from Operations

Under IGAAP, cash discounts and other discounts directly attributable to sales was recognised as part of other expenses which has been adjusted against the revenue under Ind AS during the year ended March 31, 2017.

Under IGAAP, revenue was presented net of excise duty. However, as per Schedule III to the Companies Act, 2013, revenue from operations is to be shown inclusive of excise duty. Accordingly, excise duty has been included in revenue from operations and shown separately as an expense.

E. Defined Benefit Liabilities

Both under IGAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under IGAAP, the entire cost, including actuarial gains and losses, are charged to Statement of Profit and Loss. Under Ind AS, remeasurements (comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.

F. Share in Profit of Investment accounted using equity method

Investment in Joint Venture has been consolidated for using equity method, accordingly, share in profit of Joint Venture has been accounted for in the Consolidated Statement of Profit and Loss. Under IGAAP, Investment in Joint Venture was consolidated using proportionate consolidation method.

Note 54 :

Effective July 01, 2017, sales are recorded net of GST whereas earlier sales were recorded gross of excise duty which formed part of expenses. Hence revenue from operations for the year ended March 31, 2018 is not comparable with the previous year corresponding figures.

Note 55 :

The Company has a process whereby periodically all the long term contracts (including derivatives contracts) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts has been made in the books of accounts. There are no derivatives contract outstanding as at year end.

Note 56 :

Previous year figures have been regrouped / reclassified wherever necessary to correspond with current year classification / disclosure.
